Dear Mrs. Chacona:

This letter is in response to your inquiry dated March 4, 1999.

You have asked the Massachusetts Republican State Committee (MRSC) to describe the procedure of this office for identifying the employer and occupation of donors who contribute \$200 or more to the MRSC during one fiscal year. The procedures are as follows:

- 1) Every piece of fund raising literature which is sent out by the MRSC includes a Federal Election Law Notice requesting contributor information for each donation above \$200. I have attached for you information a copy of our standard request form.
- 2) At fund raising events we process the guests at a registration table where each contributor to the MRSC is asked to fill out a registration form. I have attached for your information an example of our standard event registration form.
- 3) When individuals make contributions without providing either their employer or their occupation a best effort letter is sent to their home or office. I have attached for your information a copy of our standard Best Effort request letter.

If I can be of further assistance, please do not hesitate to contact me at the MRSC.

Very truly yours,

  
John Brockelman  
Executive Director
